

## INSIGHT EDUCATION SAFEGUARDING CHILDREN POLICY

### 1. Introduction

1.1. INSIGHT EDUCATION (the Company) is a company run for the following purpose:

To shape student thinking, inspire achievement and create future leaders by using structured, dialogue-based teaching methods to develop traits and behaviours for success.

1.2. The Company is based at:

Insight Education  
27 Old Gloucester Street  
London  
WC1N 3AX

Company Number: 8934853

1.3. The Company has adopted this safeguarding children policy and expects every adult working or helping at Insight Education to support it and comply with it. Consequently this policy shall apply to all staff, managers, trustees, directors, volunteers, students or anyone working on behalf of Company.

### 2. Purpose of the Policy

2.1 This policy is intended to protect children and young people who receive any service from us, including those who are the children of adults who may receive services from us.

2.2 The Company believes that no child or young person should experience abuse or harm and are committed to the protection of children and young people and this policy is intended to provide guidance and overarching principles to those who represent us as volunteers or staff, to guide our approach to child protection and safeguarding.

### 3. The Risks to Children

The hope is that every child grows up in a safe and happy environment. Nevertheless, there are situations where children need protection from the following (listed below) and it is important not to underestimate the dangers:

- Sexual abuse;
- Grooming;
- Physical and emotional abuse and neglect;
- Domestic violence;
- Inappropriate supervision by staff or volunteers;
- Bullying, cyber bullying, acts of violence and aggression within our schools and campuses;
- Victimisation;
- Self-harm;
- Unsafe environments and activities;
- Crime; and
- Exploitation.

## 4. Universality of Protection

The Company recognises that:

- the welfare of the child is paramount;
- all children regardless of race, gender, religious belief, disability, age, sexual orientation or identity have a right to equal protection from harm;
- some children are more vulnerable to harm as a result of their circumstances, prior experiences, communication needs or level of dependency; and
- working with children, young people, their parents and/or guardians, carers or other agencies is essential to protecting their wellbeing.

## 5. Safeguarding Children at Events/Activities

5.1 There are three kinds of events/activities:

- (A). those open to adults and children of all ages;
- (B). those for children accompanied by a 'parent'; and
- (C). those for unaccompanied children, which are sometimes run alongside other events/activities.

5.2 At events and activities open to all ages, children under 16 must be accompanied throughout by an adult over the age of 18 who not only brings the child but also takes the child home again afterwards. Young people aged 16 or 17 may attend unaccompanied if they bring the written consent and mobile telephone number of one of their parents.

5.3 At events and activities for children accompanied by a 'parent', children under 16 must be supervised throughout the event by an adult over the age of 18 who not only brings the child to the event but also takes the child home again afterwards. If a lone adult brings more than one child, then the children will have to stay together, so that the one adult can supervise them. Young people aged 16 or 17 may attend unaccompanied if they bring the written consent and mobile telephone number of one of their parents.

5.4 At events and activities for unaccompanied children, children under the age of 16 must be enrolled by a responsible adult before being left with the event leader. The enrolment must record the child's name, age and address and the names and addresses of the child's parents, plus the parents' mobile telephone numbers. Young people aged 16 or 17 may attend unaccompanied if they bring the written consent and mobile telephone number of one of their parents.

5.5 Both events and activities are to be defined broadly to include any occasions where the Company will be providing a service.

## 6. Disclosure and Barring

6.1 The Company offers the following activities:

- Educational consultancy and strategy for families and schools
- Oxbridge Mentoring and university preparation (online)
- Private one-to-one IGCSE, A level and IB classes (online)
- Blended learning English classes with STEAM activities

- Career Mentoring to develop leadership, entrepreneurial and problem-solving skills, build a CV and improve future employment prospect.
- 6.2 Some of our activities may therefore require adult participants or adult leaders to undergo DBS and/or police checks under the Safeguarding Vulnerable Groups Act 2006. The required level of checking (if any) will broadly reflect the degree and frequency of unsupervised access given to other people's children.
- 6.3 The Company will take very seriously any allegation of impropriety on the part of any member of the Company. A member of the Company who discovers anything amiss should get in touch immediately with the following:
- Mark Cousins**  
Email: [mcousins@insight-ed.co.uk](mailto:mcousins@insight-ed.co.uk)  
Contact: 07549736767
- 6.4 Allegations will be appropriately reviewed and the likely risk to children and, if appropriate, will consider banning the member from future events or revoking his or her membership or both, but only in full accordance with the rules and procedures of the Company.

## 8 Whistle-blowing

- 8.1 It is the clear responsibility of all members of IA staff and volunteers to act on any concerns or information that gives them concern about the safety and wellbeing of a child arising from circumstances or events under IA's services or outside of this environment e.g. at school or in the home.
- 8.2 Equally it is the responsibility of all members of staff and volunteers to act on any concerns or information that gives them concern about the safety and wellbeing of a child or children under IA. Such a concern in a whistle blowing context may be related to:
- The conduct or behaviour of a member of staff or volunteer towards an individual child or children.
  - Information that suggests a member of staff or volunteer is unsuitable to work with children.
  - Belief that the Safeguarding Lead, senior managers or Governors have failed to take appropriate action in response to safeguarding concerns raised.
- 8.3 Concerns should be raised with the Safeguarding Lead who will immediately investigate concerns.

## **9 Health and Safety Aspects of Safeguarding Children**

- 9.1 Before starting any event for unaccompanied children, the Team will carry out a risk assessment and then take steps to minimise all risks to health and safety. Parents and children will be made aware of any particular risks and of the steps to be taken to minimise those risks. The Team will keep a record of all risk assessments.
- 9.2 Sufficient adults must be present at any event for unaccompanied children to enable one adult to deal with any emergency while another adult supervises the children not directly affected by the emergency.

## **10. Prevention of Bullying**

We will not tolerate the bullying of children either by adults or by other children. If any incident of child-on-child bullying should arise at a Company event, those involved will be separated immediately and the parents of the children involved will be asked to deal with the matter. The Team will review all incidents of child-on-child bullying and assess the likely future risk to children. If appropriate, the Team will consider banning a child from future events, but only in full accordance with the rules and procedures of the Company. Allegations of adults bullying children will be dealt with in accordance with this Policy.

## **11. Photographing Children**

People must expect to have their photograph taken at many of our events and we reserve the right to publish suitable photographs of those attending, along with the names of members involved.

## **12 Procedures for reporting**

- 12.1 The steps for reporting allegations of child abuse, irrespective of learning or home environment are:
  - STEP 1: IA staff must report to Insight Education management concerns or allegations of abuse immediately.
  - STEP 2: The Safeguarding Lead will immediately investigate the allegation.
  - STEP 3: If necessary, the allegation will be referred to an outside agency (NSPCC or police etc).
- 12.2 All Child Protection records will be dated and signed and will describe the action taken. Where there are concerns about the safety of a child, sharing of information in a timely and effective manner between organisations can reduce the risk of harm. Insight Education reserves the right to share concerns with outside agencies (i.e. the police).

## **13. Managing Behaviour, Discipline and Acceptable Restraint**

- 13.1 Adults supervising children at the Company events must never use any form of corporal punishment. If physical restraint is absolutely necessary to prevent injury to any person or to prevent serious damage to property, then the minimum necessary restraint may be used — but for that purpose only.

- 13.2 Unacceptable behaviour at the Company events for unaccompanied children will generally be stopped by separating the children from each other and from the group. The miscreants will be suitably supervised and will be returned as soon as possible to the care of their parents.
- 13.3 The Company may apply a further disciplinary sanction; namely the banning of the child from one or more future events over the following 18 months. Any such sanction would be determined and applied by: **Joyce Connell-Cousins**.
- 13.4 A parent who is aggrieved by this ban may appeal to the Company who will hear the views of all relevant persons. The decision of the Company is then final. Any such appeals should be made to, and will be determined by: **Mark Cousins**.
